To whom it may concern,

My name is Scott Slater, and I am the owner of "Village Chicken" restaurant in Springfield, VA. The reason for this testimonial letter is to describe my experience with www.dealyah.com (a unique simple marketing platform that gives business owners total control of their marketing).

Before I start talking about www.dealyah.com itself, I would like to share my experience with the owners of "Dealyah" and the amazing service they provide. They are very honest, hardworking and they over delivered on every promise. They helped me setup and run a few social media campaigns for free and I saw great results, they helped me setup my ad on www.dealyah.com (the tool is designed so that business owners themselves can do it and if you don't have time they will do it for free and you can manage it afterwards or they will manage it for you for free too). The best part is that they shot a promotional video for my restaurant for free on my social media platforms and on www.dealyah.com.

As far as www.dealyah.com it is a GREAT marketing platform to have in your arsenal. It takes a few minutes to sign up and to post a deal; it is that quickly and you are in business. It is an EXTREMELY fast marketing platform to advertise your products and services and the best part it is risk-free, free to sign up, free to post deals, pay only 20% commission only if you SELL. There are no contracts and you can cancel anytime with no penalty, with a click of a button. In addition, you are in FULL CONTROL of your deal and marketing. You can modify or change the ad ANYTIME you want. You can control how many deals you want to offer and therefore can reduce the number of deals down to ZERO if you get an influx of customers. I am part of the V.I.P pre-launch and they are offering great perks including help with your social media marketing and promoting your business with video content. Trust me, you will be very happy with all the free services that you will be getting. If you have any questions or concerns, please do not hesitate to call me or contact me at the above address.

Thank you,

Scott Slater
